NO MORE PARTINGS — Rear Admiral (U.S.N., Retired) and Mrs. George G. Harrison renew their pledge to remain together, made eight years ago when he returned to the United States after being a prisoner-of-war for three years. Residents of San Francisco, they vacation here every year at the Wayside Inn.

WAR ATROCITY VICTIM RELAXING IN VILLAGE

By DON KLOTZBUECHER

He liked cigars . . . so they cut off his finger, put it in his mouth and lit it.

"Go ahead and smoke it," they said.
This atrocity tale didn't come from Korea where communist sadism is now being exposed, but is from World War II as experienced by Rear Admiral George G. Harrison, U.S.N., Retired.

CURIOSLY ENOUGH, Admiral Harrison was smoking cigarettes when interviewed at Wayside Inn, 670 South Palm Canyon drive, where he and his wife, Hazel, were guests for several days.

Setting of this inhuman treatment was perfectly cast, according to movie standards. It was an old Spanish dungeon, which in pre-Pearl Harbor days was pointed out to tourists as an example of torture chambers.

The Kempeitai, Japanese military police, were in charge of Fort Santiago, at Manila, and in Admiral Harrison's words were experts at "calculated sadistic treatment used in a deliberate effort to break down the physical and mental faculties of prisoners under their control."

SUCCESS OF their program is spotlighted by statistics. Only

Final Plans for Highway 111 Drawn Crash Near City Kills One, Hurts Six

Stage, Truck, Two Autos in Fatal Wreck

Four Vehicles in
Tangled Wreckage
on Highway 99

One man was fatally injured and six others suffered injuries requiring hospital treatment in a four vehicle accident, involving a Greyhound bus, truck and trailer and two cars, at 9:15 a. m., Wednesday, about two miles east of Cabazon.

Victim was Allen Hill Richardson, 23, Glendale, Arizona, driver of the truck and empty trailer owned by R. H. Harman, also of Glendale. He died en route to the San Geronimo Pass Memorial hospital.

OTHERS HOSPITALIZED were: Clinton Gregg, bus driver, Whittier, lacerations of the face; George Cinquini, Los Angeles, possible internal injuries; Clarence Bradley, 47, Hanford, rancher, and his wife, Cecil, 44, minor injuries with possible arm fractures; Mrs. Guadalupe Amarillo, possible fractures of arm and hip, and her son, Jessie, two years of age, minor injuries. Other persons involved suffered bruises and cuts but did not require hospitalization. The truck and bus both were traveling east on Highway 99, and the bus was starting to turn off at an intersection into the westbound lane of traffic, according to the California Highway Patrol.

THE BUS DRIVER attempted to miss a collision, but was unable to do so and struck the cab of the truck broadside, the CHP officers said. The bus then went over the hump separating the road lanes, and struck a car driven by Robert Paxton of Indio, causing the latter vehicle to overturn. In the meantime, a car driven by Cinquini struck the truck. Cinquini is well known in Palm Springs as a supplier of turkeys to restaurants.

The Greyhound bus, carrying 18 passengers, was enroute from Los Angeles to El Centro.

Post Office To Remain Open Two Saturdays

Merritt Williams, acting postmaster, announced Monday that the post office will remain open all day Saturday, December 12, and Saturday, December 13, to handle the accumulated Christmas mail.

Williams said that Christmas packages should be mailed early for best handling and timely delivery. They should be well packed and wrapped with heavy outside wrapping paper with the name of the sender and addressee plainly written on one side only.

Christmas cards must bear first class postage for forwarding and return to sender privileges.

"Every effort will be made by the post office staff toward fast and efficient handling of holiday mail," said Williams, "and the cooperation of the public will greatly facilitate the accomplishment of this task."

The meeting was arranged by the hotel division of the Chamber of Commerce.

Change in Two Street Names Recommended

Changing of two street names was authorized by the city planning commission Monday, subject to the approval of city council.

Property owners in both cases requested the change.

Approved were the changing of Avenida Moraga to Avenida Olancha to avoid confusion as the two streets run together, and the portion of Riverside drive running north and south from the channel to Mesquite, to Random drive to avoid confusion with a similar name.

Similar changes will be authorized upon request of property owners, City Planning Director W. G. Roessler said.

Villagers and visitors in the past have frequently complained about the similarity of street names, which often are confusing when attempting to find street locations.

Trouble

Six Southland
Youths Find it

Six Southland youths ran into trouble at a local men's store Tuesday afternoon while attempting to shoplift a sweater, and no doubt later found additional trouble when they were turned over to their parents who came from Covina to retrieve them from the police department.

One youth had placed a sports shirt under his jacket and was apprehended by a clerk before he left the store. The others were scattered around the store, diverting the attention of the clerks.

Chest Campaign Tops Half Way Mark this Week

Community Chest fund drive this week reached the half way mark with \$17,500 of the \$35,000 goal collected, President August G. Kettmann reported today.

Business houses in the Village have started their own store-to-store canvass, with block workers having been organized by the merchants themselves.

KETTMANN, in announcing this program, said that "the least a business house should give is \$25, even for the smallest places." He stressed the importance of dividing each contribution into six parts, for the six participating agencies, which leaves only a little over \$4 for each agency.

"Advance Gifts Chairman Stanley Rosin reported excellent results from his letters."

AS AN EXAMPLE, he said that Jack Freeman of Desert Provision company, had sent in a check for the company as he does each year but after receiving the "advance gifts letter" he reconsidered and sent an additional check, larger than the first check. In addition, he sent a personal check from his wife and himself for an amount equal to the first company check.

Kettmann and Rosin both stressed that the drive must continue its high rate of speed and must have the cooperation of all Villagers to finish the campaign by Christmas.

IN PREVIOUS YEARS the drive has dragged on into the first of the year and even as far as into February.

"This year let us remember with the spirit of Christmas to give adequately to the six worthy agencies of our Village," they said.

HIGH DESERT DEVELOPMENT — Many residents of Palm Springs are watching with a good deal of interest the steady growth of the region to the north and east between Morongo Valley and the Joshua Tree National Monument. Known as the "High Desert", it comprises the communities of Morongo, Yucca Village, Joshua Tree, Pioneertown and Twentynine Palms. Noted for its healthful climate, development has been along resort and recreational lines with little industry or agriculture. For this reason, the High Desert links more naturally with the development of the Palm Springs resort area.

Greatest single attraction of the High Desert is the huge Joshua Tree National Monument with its spectacular rock formation and view of Coachella Valley from San Geronimo pass to the Salton Sea. Elevation at Salton View is about 5300 feet; at Yucca Village 3750 feet. There is a good road through the park from Joshua Tree to Twentynine Palms — a drive no resident of Palm Springs should miss.

The region has been given considerable impetus through the location there of the 600,000-acre Marine Corps Desert Training Center which lies a few miles north of Twentynine Palms. The base has been under construction for two years and is now nearing completion. The present military population is 4,000, which will be increased to 7,200 by next February when completion is scheduled. The buildings are of permanent reinforced concrete construction, including roofs. The kitchens and dining facilities would be a credit to a modern hotel. Cooling and heating facilities are of the very latest type, affording the utmost comfort for personnel in Summer and Winter. It looks like it was built to last a hundred years — and it likely will. Being a training area, units will be stationed there on a rotational basis.

We can expect to see many of these Marine trainees in Palm Springs in Summer and Winter after the full contingent has become quartered there. Application has been made, we understand for a bus franchise between Twentynine Palms and Palm Springs. It would link the High Desert and this section even more closely together and benefit both. There seems little doubt that these two areas will grow closer and closer together because of so many common interests. A projected road from Joshua Monument into the Coachella Valley would shorten the distance between here and Twentynine and make a perfect circle tour for vacationists.

The High Desert is now reached by driving out Indian avenue to Highway 99 and going a few miles west to Twentynine Palms highway. Work has already been underway for some time surfacing the Amboy road from Twentynine Palms to Amboy. This will be a shorter and favorite route to Las Vegas from here. It will be completed in the near future. Other highways to the east and west are under construction by San Bernardino county highway authorities, placing the section on a transcontinental route.

Twentynine Palms has a 100-home housing project partly

Brewing Martinis

A hangover is brewing, if the olives were intended for martinis.

For there was an entire carton of them stolen from the doorway of Sales Market — in the Plaza about 2:30 p. m., Tuesday. The carton contained 24 dozen two-ounce bottles.

A witness to the theft reported that someone picked up the carton, and ran from the scene.

DID YOU FEEL IT?

While many Villagers slept through it all, light sleepers reported an earthquake at shortly after 3 a. m. yesterday. No reports of damage were filed.

PUBLISHER'S CORNER

completed, is considering forming its municipally-owned water company, has an active chamber of commerce and has been enjoying a sound business and residential growth aside from the stimulus given it by the military base. Joshua Tree and Yucca Valley are surrounded by new subdivisions that have been enjoying brisk sales. Thousands of five acre tracts have been opened by the Federal government north of Joshua Tree and are being homesteaded. There is a whole colony of them; young people, health seekers and retired couples.

Pioneertown, the site of numerous Western movie thrillers, has had its ups and downs and will go under the auction block on December 17, according to word received this week by the Desert Journal of Joshua Tree. It would make an excellent location for a resort hotel with authentic Western atmosphere or could be developed as a recreational area. It will be interesting to see what plans are made for the future development of Pioneertown.

We find that many Winter residents — and some regular residents — of Palm Springs have never visited the High Desert. It is an interesting and delightful trip, including the drive through Joshua Tree National Monument. It takes about four hours to make it leisurely and, since it is a little cool up there this time of the year, it's best to go during the middle of the day. The panoramic view from Salton View (a short side ride in the Monument) is something you will remember for a long time. You can see San Jacinto, San Geronimo, Palm Springs, Indio and the Salton Sea all at one time. Take a warm coat — the wind at that point is pretty chilly. If you like driving on a natural desert road through some real desert wilderness — and a forest of Christmas Cholla — you can take the road that branches off to Pinto Basin and come out on Highway 60-70 about half way between Indio and Desert Center. You'll think you're out of this world — out there alone in Pinto Basin! Allow two more hours.

See the High Desert — and watch it grow. Like Palm Springs, it has a great future. And like Palm Springs also, it has a great deal to offer the vacationist and desert home seeker.

Carnation Corner

The good fresh taste of Carnation Whipping Cream adds lightness and lusciousness to any dessert! Keep Carnation Whipping Cream on hand—and guard its freshness by storing it near the ice cube section of your refrigerator.

BUSY-MOTHER HINT
Youngsters lace their own shoes? Tie a knot in the middle of each lace—then they'll have equal lengths for tying the bow.

This fresh-tasting shortcake is unusual and delicious. Notice it's an ahead-of-time dish, too!

Frozen Cranberry

SHORTCAKE
(Makes about 6 servings)

- 2 cups (1 lb. can) cranberry sauce
- 1 cup sugar
- 1/2 cup water
- 1 teaspoon grated orange rind
- 2 tablespoons honey
- 1 teaspoon vanilla
- 2 egg yolks
- 2 egg whites
- 2 tablespoons sugar
- 1 cup (1/2 pt.) Carnation Whipping Cream
- 1 8-inch prepared sponge cake

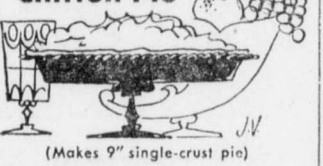

Mix cranberry sauce, sugar, water, orange rind, honey, vanilla and egg yolks until smooth. Beat egg whites, gradually add sugar and beat until very stiff. Add whipped cream. Line bottom and sides of 8" square pan with waxed paper. Cut sponge cake into 2 layers. Place 1 layer over bottom of pan, cover with cranberry mixture and top with remaining layer. Freeze until firm (about 3 hours). Slice for serving.

AN ILL WIND THAT BLEW SOMEBODY GOOD!

Wild cranberries, when the pilgrims came, were puny, pea-sized berries. One gusty day, down Cape Cod way, the sea broke through and covered a fine cranberry bog with a layer of sand. Folks felt bad about this until the plants broke through the sand—and lo, the harvest was four times greater, the berries bigger and the flavor finer! Since that time, sand has been used in the cultivation of cranberries.

Holiday Chiffon Pie

- 1/2 cup sugar
- 1/4 teaspoon salt
- 1 teaspoon grated lemon rind
- 1/4 cup lemon juice
- 2 eggs
- 2 cups (1 pint) Carnation Whipping Cream
- 1 9" single-crust baked pie shell

Combine sugar, salt, lemon rind, and juice in double boiler (or over low heat). Cook until sugar is dissolved, then stir in beaten eggs. Mix well and cook about 4-5 minutes longer, until thickened and smooth. Chill. Fold in 1 cup whipped Carnation Cream; spoon into baked pie shell. Chill until firm (about 2 hours). Top with remaining whipped Carnation Cream just before serving.

More Juice From Lemons
If you'll pour boiling water over them, let them "sit" 5 minutes, then roll them gently before extracting juice.

KEEP PLENTY OF Carnation Whipping Cream on hand. Rich, dependably uniform—always Carnation-fresh in flavor.

3 BIG REASONS . . . why Safeway Steaks and Roasts are ALWAYS Tender!

- FROM LUSH GRASSLANDS AND MESAS TO SCIENTIFIC FEEDLOT HANDLING**
The fine Western cattle yielding U.S.D.A. CHOICE BEEF reach the peak standards insisted upon by Safeway experts only after highly trained Nutritionists in California Feedlots have supervised their diets. Balanced rations containing scientifically determined amounts of rich proteins, vitamins, minerals and carbohydrates create meat and fat of the unexcelled palatability so familiar to every Safeway Store meat patron.
- IT TAKES U.S.D.A. CHOICE GRADE AND SAFEWAY AGING FOR FINEST OF MEATS**
The finest eating meat money can buy! Safeway sells only U.S.D.A. CHOICE GRADE in beef and lamb cuts. Furthermore, because Safeway completely operates the largest, finest Meat Aging Plant in the West, these quality meats are under precise conditions of temperature and humidity the full time Nature requires to develop unparalleled uniformity in tender, juicy roasts, steaks, and chops. Thus, each Safeway Store stocks meats of identical quality from the Aging Plant.
- MONEY IS SAVED WHEN MEATS ARE FULLY TRIMMED BEFORE WEIGHING**
Safeway trim goes further than removing untidy-looking fat. All the excess fat, inedible meat, and bones not properly belonging to the cut are removed. In terms of money, Safeway customers get more good-eating meat in every pound purchased. This policy applies not only to U.S.D.A. CHOICE beef and lamb, but all other meats, and conforms to a uniform company policy in effect at every Safeway Store.

COMPLETE WIN — Mr. and Mrs. Vincent Fotre, Jr., right, defeated Katie Washburn and Johnny Lamb, Valley Hunt Club professional, in an exhibition tilt following match play between Racquet Club and Valley Hunt Club teams last weekend. The Fotres represented the Racquet Club, and the RC team earlier had defeated Valley Hunt netters.

several hundred men there.

As mentioned before, Admiral Harrison was among the gallant American force which was captured at Corregidor after an heroic fight against overwhelming forces.

He was sent there in September 1941, and laid the mine field at Marrales, harbor of Bataan, and Corregidor. Besides this, he was commanding officer of the anti-torpedo net laying activities, mine field pilot, and commander of the harbor craft in the Marrales area.

PERHAPS THE MOST successful operation he undertook was evacuating a complete Naval establishment from Marrales to Corregidor on the night of April 8, 1942, just hours before the surrender of Bataan. This movement, involving two hospital units, supplies and ammunition and 2,000 personnel, was accomplished during the night under air, ground and artillery attack. And only 40 casualties were recorded.

ADMIRAL HARRISON himself suffered a fractured leg by shell fire, and was hospitalized only five days when he again took over his command. This in-

cluded servicing two other fortified islands, and patrolling the harbor and channel to make every effort to destroy and delay the Japanese landing craft.

Numbers won out though, and Corregidor surrendered at 12 noon May 6.

Following his release from the POW camp, Admiral Harrison was hospitalized for six months, and then was restored to duty as a member of the Board of Inspection Survey, West Coast, 12th Naval District, San Francisco.

HIS AWARDS, which are numerous, include the Silver Star, Bronze Star, Purple Heart, Army Presidential Unit Citation (unusual for a Navy man), and the Presidential Unit Citation from the Philippine president. He and Mrs. Harrison make their home in San Francisco, but call the Wayside Inn their "home away from home," and vacation here at least once every year.

House of Lydia Displays Treasures to Villagers

The Desert House of Lydia is an interior decorator's dream!

Villagers had their first look at it when the doors to the new interior decorating branch of the House of Lydia were opened Tuesday afternoon at 707 North Palm Canyon drive.

Streams of visitors arrived to admire this showcase of treasures and to share in the hospitality of the elaborate buffet, prepared by Santos.

Lydia, herself, was there to welcome the arrivals and accept congratulations on the rare beauty of the shop.

Full length windows encase the shop on two sides so that all but the inner room is on display. The pale green of the walls gives a luminous effect to the over-all picture. In nice contrast, pink wrought iron in a delicate leaf tracery, frames the windows and the pink is repeated in the shantung drap curtains and the bird cage light fixtures.

Black wrought iron has been used in a gate effect to divide the large rooms and an extravagant conceit in the French manner are the airy parasols, of gathered black chiffon over pink, that perch on each side of the gates.

A Christmas tree muffled in angel hair picks up the holiday motif and suggests that here are gifts for the most fastidious.

Precious Viennese glassware, painted silk panels, mirror clocks, lamps and vases, cabinets and graceful chairs are among the many imports.

(Desert Sun Photo)
HOUSE OF LYDIA — Villagers had a sneak preview of all that the Desert House of Lydia has to offer in beautiful furniture, drapes and imported furniture who enjoyed viewing some of Lydia's creations — definitely something delightfully new in decor for desert homes. 5 Desert Area Lawyers Named for Court Study

State Bar Association of California announced this week that the following desert area attorneys have been appointed as a sub-committee to observe pre-trial procedure in Department IV of the county superior court at India.

Chairman Wallace P. Rouse, Indio; Roy W. Colegate, Rex G. Hardy, and David M. McGahey, Palm Springs; Alexander W. Staples, Indio.

THE SUB COMMITTEE will report to the committee to assist the Judicial Council in study of pre-trial procedure, and also report direct to the board of governors of the State Bar.

Pre-trial procedure is still in the experimental phase in California and the desert area was chosen by Chief Justice Phil Gibson and the Judicial Council to pioneer the procedure in the superior courts in California two years ago.

Although the pre-trial procedure was tried unsuccessfully in Los Angeles county some years ago, it has proven quite effective in various other jurisdictions and in some of the Federal courts where it is in constant use.

IT WORKED OUT so well in practice in the Desert Sessions court that since its inauguration here the procedure has been initiated in Santa Monica and Pasadena, and in Santa Clara county.

The experience of attorneys in the desert area has been such that the great majority of them favor the use of the pre-trial procedure in most types of litigation as a means of improving and expediting the administration of justice and saving time and money for litigants, witnesses, attorneys, courts, and tax payers," said Rex Hardy, president of the Desert Bar association.

Wood's Record Refutes Claims Declares Davis

Byron Wood, 35, a transient worker arrested here recently on the felony charge of an ex-convict carrying a deadly weapon, isn't the innocent person he claimed to be in an interview in Riverside, Police Chief John S. Davis said today.

His record doesn't support his claim of serving time in prison for only one violation of auto theft.

He was 19 when first arrested in 1936, Chief Davis said, and was released on three years probation for auto theft. This was in March, and in August the same year he was arrested on a similar charge and sentenced to four years in the prison at Chillicothe, Ohio.

Given a conditional release in 1937, he was found guilty of parole violation before the year ended and was given a four year term in the United States penitentiary at Lewisburg, Pennsylvania.

In 1941, he was again arrested for auto theft in St. Louis and sentenced to five years at

Bothered by bathroom barricades?

HELP YOUR WIFE! HELP YOURSELF!

THIS CHRISTMAS GIVE HER AN AUTOMATIC

GAS

CLOTHES DRYER

Only gas dries clothes so fast —costs so little to run

Why not make every washday a sunny day for your wife? Give her an automatic gas clothes dryer for Christmas.

Delicate fabrics dry perfectly in minutes in an automatic gas clothes dryer—free your bathroom from nightly barricades of of lingerie. Even ordinary clothes placed in an automatic gas clothes dryer are ready for storage or ironing in minutes.

An automatic gas clothes dryer provides ideal drying weather any time, day or night, rain or shine. It eliminates backyard lines and heavy baskets. It reduces clothes drying to tossing rinsed laundry in your dryer, setting the control, then removing the sweet-smelling dried clothes.

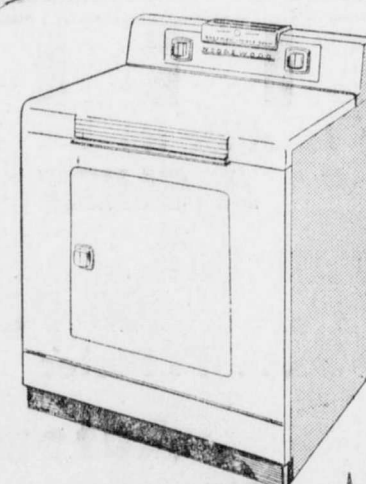

Visit a dealer or your Gas Company and see the dryer displays.

Insist on an automatic GAS clothes dryer because gas outsells other types here for 3 very important reasons:

- 1 Gas dries clothes faster than any other fuel—faster even than sunshine.
- 2 Gas costs so little—dries clothes for less than 2¢ per dryer-full.
- 3 Automatic gas clothes dryers cost less installed—cost less in the long run, too.

Luring Sands Sales Total \$330,000 in Six Months

"Permits totaling \$330,000 have been taken out in the last six months for the Meiselman homes being built in the Luring Sands Park," George Gannon, Meiselman's fiscal representative disclosed today.

"Present demand for homes in Palm Springs is extraordinary," Gannon added, pointing out that while homes are being sold in all areas in Palm Springs interest in the Luring Sands Park is exceedingly great. A number of the homes have been sold before the start of construction, there is such a demand for

them.

It is credited this to the fact that the homes meet a need for home-owners in the lower price brackets, with low down payments.

Gannon stated that the quality of these homes—the large lots and the location—which is only three minutes from the shopping district of Palm Springs—has impressed the resident and the visitor alike.

Though the three bedroom, two bath, home in Luring Sands Park has proven to be a popular home with the buying public,

due to its luxury type appointments, reception of the two bedroom homes in the Vista del Cleio area has also exceeded all expectations. All Meiselman homes are fully insulated, making them a most practical residence for year round living.

With land values increasing, it is doubtful that Meiselman homes can continue to be sold at the low prices ranging from \$9,250 to \$14,750.

Water District Rejects Flood Control Plans

Directors of the Coachella Valley County Water district rejected a new plan for flood control in the Palm Canyon area, declaring it too costly.

But they also said, after hearing a talk by Mrs. A. G. McManus of Palm Springs that they were not turning a deaf ear to property owners

asking them for flood protection.

The newest plan was submitted Monday by Flood Engineer Fredrik Cronholm.

THE CRONHOLM plan would divert Palm Canyon and Tahquitz Creeks from their normal channels, directly to the White-water River. Eventually Cronholm proposes to carry the storm waters across the White-water and sink them in desert sands east and north of the river.

Mrs. McManus said that the million dollars shouldn't come from Coachella Valley taxes but from the federal government.

The board members and their attorney said that it would be difficult and might be impossible to get federal funds.

MRS. MC MANUS told the board that she has lived in Palm Springs for nearly 70 years, that she has reclaimed land over and over after floods and that her present request for help is her first.

Mrs. McManus blamed the water district's consulting engineer, W. P. Rowe of San Bernardino, for part of her troubles. She said a dike he designed to protect Smoke Tree Ranch has caused flood waters from the Palm Canyon to damage Highway 111 regularly and cut across her property in section 25 near Araby Point.

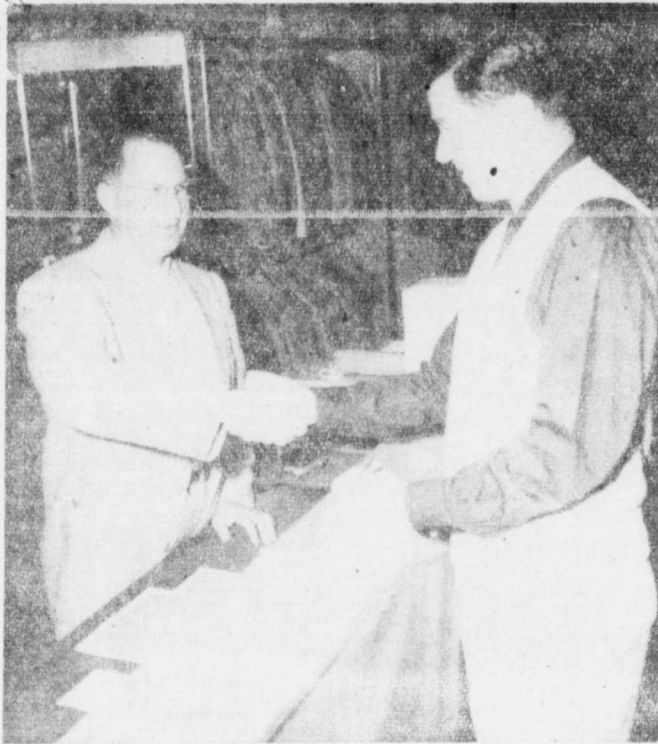

Ex-President of Mexico Will be Guest in Village

Senor Miguel Aleman, who was president of the Republic of Mexico from 1946 to 1952, will be a guest at the Racquet Club this coming weekend.

WALLET RETURNED MINUS THE CASH

A thoughtful thief returned the wallet, but first emptied it of \$100.

This was reported to police Saturday evening by Clinton Gray of Los Angeles, who noticed his wallet missing when he was about to pay his check in a local night club. He discovered the wallet laying on the floor by his feet, but the money gone.

THE PRICE: A HANDSHAKE — Just for a handshake some lucky man or woman will be the winner of a complete Christmas outfit in clothes offered by Bob and Allen Beck, owners and operators of Nelson's For Men in The Center. The reason for this extraordinary offer is because Bob Beck is desirous of getting acquainted with more Villagers and visitors in Palm Springs. "All one has to do," explained Beck, "is to come into our men's furnishings store and shake hands with me and register his name as a contestant. No purchase of any sort is involved." Pictured above as he registers is Bob Bennett, right, well known Villager with Beck.

Police Locate Newest Hotel in Village - Underneath Tree

Newest hotel in Palm Springs was found by police Monday—a tree behind the wall in the 100 block of North

Indian avenue.

Jack and Sara Allred came to the station in the afternoon to file a complaint about their personal property being stolen from the hotel where they were staying. Police checked the theft, and investigation showed that the hotel had been underneath a tree.

The couple was charged with vagrancy, and received suspended sentences of 30 days each when appearing before Judge Eugene Thierau in justice court. The sentences were suspended when the Allreds announced their wish to return to Utah, and that provision was included.

On Sunday evening, Mrs. Allred had been arrested on a drunk charge.

Three Appointed to C. of C. Board

The 1954 membership of the board of directors of the Palm Springs Chamber of Commerce was completed Tuesday, with announcement of the three appointed members to the board.

Named were: Adrian Rosen, chairman of the Retail Merchants division; Culver Nichols, president of the Real Estate Board; and Jim Hadlock, president of the Junior Chamber of Commerce.

The new board voted to hold two more meetings before it is officially installed January 12, to completely analyze the Chamber's operation, and prepare its 1954 program.

Officers for 1954 are: Harry Paisley, president; Joe Gamble, first vice president; Francis Crocker, second vice president; and Frank Prince, treasurer.

Governor Knight Answers Charge of Federalism

Important to all Republicans is a statement in a letter from Governor Goodwin J. Knight to Gertrude Walker, local Republican leader, with the request that she publicize the information.

The letter states: "I cannot imagine where such an erroneous statement that I am supposed to be a World Federalist originated. I am not now, nor have I ever been identified with the World Federalist movement. In fact I have gone on record several times in outspoken opposition to the organization."

"Undoubtedly some of my enemies are deliberately spreading this rumor hoping to damage me, so I wish you would advise the meetings which you attend that I have never loaned my name to the World Federalist movement."

"I suspect that the propagandists have me confused with Lieutenant Governor Powers, whose name appears on a World Federalist letterhead. Your helpfulness in straightening out the record will be appreciated."

Sincerely yours,

A petition will be circulated in the near future. It also will ask support of campaigns to Secure Congressional investigation of Indian office, and have longer secure leases.

Seventy persons attended the meeting at the Frances Stevens school cafeteria, and voted to set monthly dues of \$1.

BOOSTERS — Newly elected officers of the recently formed Palm Desert Boosters organization discuss plans for publicizing and promoting the Palm Desert Community. Left to right, the officers are Hugh M. Fletcher, treasurer; Eloise B. Gates, 1st vice president; Bob Ellsworth, president; Helen Gabell, secretary and Bob Coates, 2nd vice president.

Palm Desert Boosters Elect Ellsworth First President

Shadow Mountain club was the scene last week of a public meeting of representative business and professional residents of Palm Desert, at which the Palm Desert Boosters, recently organized along Chamber of Commerce lines, announced a permanent slate of officers and a board of directors.

Concluding a series of formative meetings under acting chairmanship of Robert Sturgeon, the new permanent officers took over and outlined basic plans for the future and reported several committees already functioning.

ELECTED to serve as the Boosters' first president is Col. "Bob" Ellsworth, realty and insurance broker. Serving with him are: First Vice President Eloise B. Gates; Second Vice President Robert Coates; Secretary Helen Gabell; Treasurer Hugh Fletcher.

The board of directors includes: Bob Ellsworth, Eloise B. Gates, Hugh Fletcher and Mickey Delancy to serve for three years; Helen Gabell, James Harstad, George Merrill Roy and Richard Marsh to serve a

two year term; and Robert Sturgeon, Tom Brown and Robert Coates to serve for one year.

INTERIM COMMITTEES serving under the temporary chairman were named as standing committees and include: membership, by-laws, ways and means and publicity. Special committees named were Christmas decorations and highway signs. By-laws have been patterned after Chamber of Commerce procedures but it was voted not to incorporate as a Chamber of Commerce at this time.

Purpose of the new organization, however, is to carry on such chamber activities as fit the needs of a rapidly growing Palm Desert.

VOCATIONAL TRAINING — Boys at Twin Pines Ranch attend school half a day, and then are instructed in a vocational trade the other half. Pictured above are boys laying cement block for the wall of a new storage shed at the ranch.

Learning by Doing Reality at Twin Pines Ranch School

By DON KLOTZBUECHER

Twin Pines Ranch, as we have pointed out many times, is a resident high school for boys with problems.

The boys attend high school half a day, and during the other half undergo vocational training.

The high school curriculum is suited to the needs of youth whose maladjustment to society often manifests itself in intense dislike of traditional schooling. It does not attempt to mold him into a pattern which he has already shown no desire to follow.

"LEARNING BY DOING" has become a reality at Twin Pines Ranch. All aims are toward vital and functional teaching which helps the boys to make their peace with themselves and their environment.

In all cases, an attempt is made to relate closely the academic subjects taught to the vocational education which is aimed to better equip the boys to get along and gain recognition without recourse to anti-social means.

THE CURRICULUM is highly flexible in order to fit it to the needs of the individual, and in order to help him find out for himself the field in which to find his greatest worth and happiness.

When there are individuals whose aptitudes and abilities are such as to warrant higher education than the secondary level, every effort is made to help them achieve such a goal.

The aim of the academic side of the curriculum is explained by Supt. Ralph Johnson, as follows:

"We believe that mathematics can best be taught by helping the boy to see for himself the necessity for its use in planning and completing work within the broader skills we are attempting to teach.

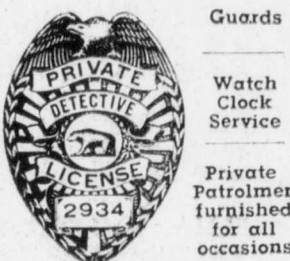

"Our aim in English is to help the boy express himself satisfactorily, both orally and in writing, so as to establish better communication between the boy and his ranch and his home environment.

"UNDER SOCIAL STUDIES, good citizenship, of course, can best be learned by being a real contributing member to the everyday life of the ranch. But since we cannot live in a vacuum, we believe that we should help the boy to become aware of what is going on in

the world today, and the possible effects of those occurrences upon himself. Also, being a citizen of democracy, we should create in the boy a reasoning respect for the rights of other regardless of nationality, color, or creed."

The subscription campaign being conducted by The Desert Sun to purchase dress Western outfits for the Ranch choral group, will be resumed in January, following the holiday season.

Community Meeting

Plans for a Community Meeting to be held January 5 were made at last week's meeting of Chamber of Commerce directors. The meeting is being sponsored by the Womans club, Lions club and the Chamber.

All property owners in Sunair and Charlesworth tract as well as those in Cathedral City proper are urged to attend. President Paul Clark stated that

County Planning Director Tyler Suess, Fourth District Supervisor Homer Varner, and Ray Sullivan, county counsel, or a representative from his office, will speak. The meeting will consider the community needs of this rapidly growing area, particularly as regards the advisability of the formation of a community services district.

If and when organized, the district would have the power to levy taxes and issue bonds, when authorized by a two-thirds vote of the electorate, to supply water, sanitation, fire protection, parks and recreation facilities, street lights and police protection.

It was pointed out that all of these services would not necessarily be inaugurated immediately, but that under the district organization could be supplied when needed.

Aid Civic Affairs

Lions club directors last week accepted a bid of Harry Watts Cabinet Shop to supply a hardwood table and benches for use

of the smaller children at the Cathedral City public library. This donation by the Lions club, said President Francis Wood, is just one of the many community projects sponsored by the club.

The organization recently donated and installed a new hot water heater in the Town Hall and supplied cabinets for use of the Boy Scouts. The local Boy Scout troop with associated Cub Scouts and Explorer Scouts is sponsored by the Lions.

Last Sunday 82 breakfasts were served by the Lions in Sun Air Park. A southern style breakfast with the atmosphere of colored mamies and cotton on the virginship of Claude Cobb, assisted by Mrs. Cobb, Jimmie Schuit, Bud Moon and Herb Henry.

Tonight the Lions club is holding its first Ladies Night of the season in the form of a dinner dance in the Manzanita room of Shadow Mountain club.

Library Notes

Seven of the most popular books by local author Ralph Hancock are now available for circulation by the Welwood Memorial Library, according to Librarian Dorothy Bear. Among these are two recently published: "Baja California," a hunting, fishing and travel guide to Lower California, Mexico, and a popular biography of Douglas Fairbanks.

Hancock has been a resident of Palm Springs for the past several years, although Who's Who in America lists him as an authority on Latin America. He acquired this reputation after serving as a resident foreign correspondent covering the South and Central American countries for many years and as director of publicity for TACA, the big Central American airline. His first book, "Our Southern Neighbors," was published in 1940 and has gone through ten editions, having sold over a quarter million copies as a supplementary text book in the nation's public and private schools.

Other popular books of his on the countries south of us are: "The Rainbow Republics," and "The Magic Land: Mexico." After the publication of his twelfth book on Latin America, Mr. Hancock turned his attention to subjects closer to home and in 1949 published "Fabulous Boulevard," the fantastic story of the West's most romantic thoroughfare, Los Angeles' Wilshire Boulevard. This book hit the best-seller lists almost immediately and remained on for 32 weeks. It was one of the most successful regional books ever published. It still enjoys a popular local sale.

In 1949 Mr. Hancock signed a contract with his publishers to write the biography of Douglas Fairbanks (senior). A year later, in August 1950, the rough draft of this manuscript and most all of his research material were stolen from his car by a gang of young thieves and the manuscript was destroyed. In the face of this loss he returned to the tedious job of collecting material once more and eventually rewrote the manuscript. The book, "Douglas Fairbanks: The Fourth Musketeer," was finally published in June of this year. It is scheduled for republication in England. Comments by reviewers throughout this country and Europe indicate that Mr. Hancock has added another popular number to his impressive list.

From his latest, his 15th book, Mr. Hancock went back to his first love, Latin America, and produced "Baja California." It was published this week. Although it was written for sportsmen, it contains 155 photos and was designed for armchair travelers as well as those with more adventurous natures.

All of these books and the popular travel books known as the Invitation to Travel Series edited by Mr. Hancock, are on loan shelves at the Library.

club held its annual dinner at the Town Hall last week. Food was donated by each member, and husbands paid one cent per pound, according to their weighing in at the door. A tidy sum was realized for the community welfare activities fund.

Mrs. Iva Moon presented a series of beautiful color slides taken in and around Cathedral City and also showing the results of vacation trips by many club members.

Scorpions Win

Cathedral City Scorpions downed a light but dangerous Palm Desert team in a free-scoring game last Thursday at Cathedral City Field by a score of 43-25. The visitors displayed a brilliant scoring combination in Billy Payne and Buddy Mattox, but were unable to cope with the relentless attack of the Scorpions.

Ruben Guevara, playing his last game for Cathedral City was easily the outstanding player on the field, scoring four touchdowns while turning in an excellent defensive performance. Eddie and Gilbert Flores also scored, but much of the credit for the triumph went to the winners' hard-charging linemen, Marion Woody, Earl Upton, Robin Jones, Henry Hernandez and Allan Egbert were especially effective. The same teams will meet again at Palm Desert in January.

Notes in Brief

The School club meets today at 1:30 to enjoy a salad luncheon served in the Cafeteria room of the school with Mrs. Howard Deason acting as hostess, assisted by Mrs. Harry Rummel. The main activity of the day will be the forming of plans for the Christmas party which is held each year on the last day of school before the

holidays, and is one of the parties most enjoyed by the children.

Rev. Graham Hunter of Community church has received word of the safe arrival in Mexico City of Edward Dering, church elder, who with Mrs. Dering left recently to spend the Winter in Mexico.

Clyde Watson, ex California state senator of Orange, is wintering at Sky Ridge Trailer Park.

Mrs. Ruth Biles, local realtor, had surprise visitors over the weekend honoring her birthday: daughters Beatrice Deere and Fern Holliday of Los Angeles; granddaughter Patricia Deere and fiancé Gerald Ash. Also included in the party was Jerry Van Den Bosch, flight engineer with Dutch Air Lines of Holland. Van Den Bosch comes to Los Angeles at intervals to inspect and accept airplanes for the Dutch Air Lines.

Lewis Duncan has passed all his tests and has now received regular appointment as bailiff of the superior court, department four at Indio under Judge Hilton H. McCabe. Duncan is retired from the Los Angeles police force, and has been a resident of Cathedral City for some years. His wife Ruth is at present seriously ill in Loma Linda hospital.

The women of St. Louis parish are holding their first food sale of the season in the Cordes

store (between the Cathedral Market and Milner's 5 & 10) on Saturday from 10 a. m. on. Delicatessen items will make up a large part of the stock, with baked goods also for sale. Father Joseph Leissler, pastor, states the best culinary efforts of the zealous parishioners will be on display. There will be tamale pie, salads, baked beans, spaghetti and such. The church choir is busy practicing for the three services on Christmas. Persons who are not members

of the parish are welcome to join the group. The midnight Mass will be offered with the usual solemnity. There will also be the usual 8 and 10 a. m. service. Next Sunday the men and boys will receive Holy Communion in a body at the 8 o'clock Mass.

From where I sit ... by Joe Marsh

A Case of "Moostaken" Identity

Slim Smith never had a chance to use his moose call until a trip north this year. Visited him yesterday to see what he'd bagged.

"First day out," he told me, "I picked up a trail. I sounded the call and waited. Then I heard a moose call. Sure enough, something came crashing through the brush. But it was another guy with his moose call. Boy, did I get my finger off the trigger in a hurry!"

me a real moose. But you can bet I took a good look before I did any shooting!"

From where I sit, we could all learn a little from Slim's experience. Most of us are guilty sometime or other of being too quick on the trigger. Like the fellow who would deny me the right to an occasional glass of beer with my dinner. I saw that kind of "aim" is way off!

LAND WITHOUT WILD LIFE IS DEAD

To the People of Riverside County:

Our organization reports the successful completion of your mandate. The Governor has received your petitions and the Winter deer shoot nurtured by the County and State Fish and Game Commissions and Game Management will not be held.

The large response these petitions found proves real need for reorganization of State wild life policy and management.

We are not opposed to legitimate hunting but are determined to preserve and reaffirm the rights of the 95% of us, who are not hunters, to enjoy the freedom of our countryside enriched by the presence of wild life, now forced to hide in fear and panic.

Protection of this wild life is essential, balanced when needed by attention to the requirements of agriculture and forest management. But any effort which protects wild life solely for the premeditated purpose of KILLING by men "for fun", who boast that they care nothing for the "meat", makes mockery of the use of the words like Conservation.

We want our wild life to be seen and thereby serve as enjoyment to young and old, who in greater numbers must escape the turmoil of the cities in quest of recreation and peace.

At the present time a new attack is being leveled against our California Big Horn Desert Sheep. A report sponsored by both Game Commissions recommends a trophy hunt for these animals and the elimination of their refuge. Protective action by all Conservationists will have to be taken. We shall report to you in this matter.

Private Torres, a rifleman, entered the Army last May and completed basic training at Fort Ord, California.

THREE STAR PERFORMERS—Dr. Jim Ketchersid, well known veterinarian, who has just opened the completely modern Desert View Animal Clinic in Rancho Mirage, is pictured with "The Lost Biscuit" (left) and "Panchito the Bandito" from South of the Border. "The Lost Biscuit" was a homeless dog who was adopted and trained by Pat Hegarty, and "Panchito", "Panchito" was one of the stars of the Western Week parade, walking on his rear legs nearly the entire distance of the parade line of march. A standard Chihuahua, Hegarty calls him the "best rear leg dog in the country today."

Large Gathering at Lions Circus

The kids had a great time. Their parents enjoyed the show, too.

And the charity funds of the Palm Springs Lions club were materially augmented by the Kaye Brothers circus staged at the rodeo field of the Polo Grounds Sunday.

Twenty one circus acts were displayed for the enjoyment of the large crowd. Primarily for the children, there were blocks of tickets donated by businessmen for the youngsters.

HUB CAPS STOLEN

Theft of two wire-spoke hub caps valued at \$40 from his car parked at 495 South Palm Canyon drive was reported to police Sunday by Robert W. Minor, 616 North Indian avenue.

CHRISTIAN SCIENCE LESSON ON GOD'S PRESERVING POWER
The promises of help and protection found in the Scriptures are ever in process of fulfillment. So says the Lesson-Sermon on "God the Preserver of Man" in all Christian Science churches Sunday.

The Golden Text is from Psalms (40:11). "Withhold not thou thy tender mercies from me, O Lord: let thy loving kindness and thy truth continually preserve me."
The restoration of Eutychus to life by Paul is in the Lesson (Acts 20:9, 10, 12). It is related that "he fell down from the third loft, and was taken up dead. And Paul went down, and fell on him, and embracing him said, Trouble not yourselves; for his life is in him. . . . And they brought the young man alive, and were not a little comforted."

Mary Baker Eddy admonishes in "Science and Health with Key to the Scriptures": "When an accident happens, you think or exclaim, 'I am hurt!' Your thought is more powerful than your words, more powerful than the accident itself, to make the injury real. Now reverse the process. Declare that you are not hurt and understand the reason why, and you will find the ensuing good effects to be in exact proportion to your disbelief in physics, and your fidelity to divine metaphysics, confidence in God as All, which the Scriptures declare Him to be" (p. 397).

Christian Science Lecture Tomorrow
"Christian Science: the Operation of Divine Principle in Our Behalf" will be the subject of a lecture to be broadcast over Station KFWB (980 kc), tomorrow evening, at 8 o'clock, from Twenty-fourth Church of Christ, Scientist, Los Angeles. The lecturer, Ralph E. Wagers, C. S. B., of Chicago, is a member of The Christian Science Board of Lecturership.

"All Men Are Brothers"

From where I sit ... by Joe Marsh

A Case of "Moostaken" Identity

Slim Smith never had a chance to use his moose call until a trip north this year. Visited him yesterday to see what he'd bagged.

"First day out," he told me, "I picked up a trail. I sounded the call and waited. Then I heard a moose call. Sure enough, something came crashing through the brush. But it was another guy with his moose call. Boy, did I get my finger off the trigger in a hurry!"

"My last day there I picked up another trail. This time I got

me a real moose. But you can bet I took a good look before I did any shooting!"

From where I sit, we could all learn a little from Slim's experience. Most of us are guilty sometime or other of being too quick on the trigger. Like the fellow who would deny me the right to an occasional glass of beer with my dinner. I say that kind of "aim" is way off!

LAND WITHOUT WILD LIFE IS DEAD

To the People of Riverside County:

Our organization reports the successful completion of your mandate. The Governor has received your petitions and the Winter deer shoot nurtured by the County and State Fish and Game Commissions and Game Management will not be held.

The large response these petitions found proves real need for reorganization of State wild life policy and management.

We are not opposed to legitimate hunting but are determined to preserve and reaffirm the rights of the 95% of us, who are not hunters, to enjoy the freedom of our countryside enriched by the presence of wild life, now forced to hide in fear and panic.

Protection of this wild life is essential, balanced when needed by attention to the requirements of agriculture and forest management. But any effort which protects wild life solely for the premeditated purpose of KILLING by men "for fun", who boast that they care nothing for the "meat", makes mockery of the use of the words like Conservation.

We want our wild life to be seen and thereby serve as enjoyment to young and old, who in greater numbers must escape the turmoil of the cities in quest of recreation and peace.

At the present time a new attack is being leveled against our California Big Horn Desert Sheep. A report sponsored by both Game Commissions recommends a trophy hunt for these animals and the elimination of their refuge. Protective action by all Conservationists will have to be taken. We shall report to you in this matter.

With Hildy Crawford

Christmas trees traditionally are green . . . and it used to be they looked like something out of a Grandma Moses painting . . . The pattern was set . . . with cotton snow at the base and an angel on top . . . with strings of tinsel, of popcorn and cranberries . . . and the twinkling lights of candles . . .

There was a smell of cedar . . . mingling with the spicy fragrance of pies baking . . . Frost patterned the windowpanes . . . and the isinglass squares in the old base burner glowed orange-red . . . Red paper bangles dangled from the chandeliers . . . and wrapping paper was white with modest holly prints . . .

But, that was a long time ago . . . in another world . . . where snow and ice, red noses and blue lips . . . drafty floors and sleet made living more rugged . . .

It's different in sunny Palm Springs . . . where palm trees and smoke tree branches masquerade as Christmas trees . . . in gay and amusing fashion . . . and even the traditional firs have adopted high fashion . . .

In a Palm Springs window there is a tree . . . swathed in lace . . . decked with roses . . . and loops of pearls . . . In another, a pink dream of a tree . . . wears clusters of roses . . . as a beautiful woman . . . would tuck them in her hair . . . and, under the tree, are gift boxes . . . with silken roses as Christmas trim . . . It reminds you that Christmas . . . is only a fortnight away . . .

Six Travelers

A ship, a plane and a train decorated the cake Friday night . . . when Ed and Ruby Fallgren entertained at a bon voyage party . . . for three couples about to leave the Village . . . The ship was for Harold and Florence Murphy, who start another world tour, sailing from Wilmington on the President Pope . . . in mid-February . . . The train was for Tom and Theodora Fleming, who will travel by Super Chief to Chicago . . . to spend the Christmas holidays . . . and be present for the christening of the first grandchild . . . The plane is for Dr. John and Gwen Costello, who leave Saturday by air . . . for New York and London . . . en route to Portugal and Spain . . . They will be away about a month . . . and will spend Christmas day in Madrid . . .

Among the guests at the Fallgrens' cocktail party and buffet . . . were their houseguests the John Gilhams and the Leonard Lyons . . . Dr. Ben and Ellery Frees, Charles and Win Becker and their daughter Caroline . . . Belmont and B. J. Sanchez, the George Robertsons, John McClares, Billy and Vicki Malouf, Joan McManus, the Owen Churchills, Oliver and Frankie Jaynes, Dick and Edith Edwards . . .

Bob Howard, of Howard Manor, and his charming wife Andrea are collaborating on a book of memoirs . . . which will combine Bob's recollections of colorful racetrack incidents . . . with flashbacks to Andrea's motion picture career . . . It'll be titled ingeniously . . . "Win, Place and Show Business" . . .

Jerry Pfeiffer, accountant, and Frank Schleicher, electrical engineer, of Motoresearch company of Racine, Wisconsin . . . spent a week as houseguests of the M. P. Christensens (he's Motoresearch president) at 1480 Mesquite avenue . . . Miss Susan Christensen was hostess at a small dinner for the visitors . . . asking George Beebe Jr. and

Wrigley Offield (owner of the Arizona Biltmore and director of Wrigley company) was a Sunday night diner at the Club . . . Ken Kirk, who has been back East to Chicago and New York for about a month . . . flies in tomorrow from Dallas . . . and he and Helen will be going in to their Beverly Hills home for a week . . . They will be back here for Christmas and New Year's . . .

Mrs. Harold Bell Wright returned from San Diego Monday to her Morongo home . . . She has as her houseguests . . . Mr. and Mrs. Albert E. Scott of San Diego . . . who will be with her until Sunday . . . and then will join their daughter Beth Scott . . . This is the Scotts' tenth season in Palm Springs . . .

Here for Visit

Mrs. Lou Hyland arrived Tuesday from Honolulu for a visit . . . with her mother Mrs. Eleanor Kane of San Lorenzo . . . Around the 18th they will be going into Los Angeles for Christmas . . . and then back here . . . Mrs. Hyland will be leaving for home in mid-January . . .

Mr. and Mrs. George Carey were at Ned Crawford's The Ranch . . . this past weekend . . . making preliminary plans for the Sports Car Races on January 23-24 . . .

Still Talking

Everyone is still talking about Peggy Lester's housewarming Saturday night . . . About 135 guests thronged her new house on the 15th fairway at Thunderbird . . . for cocktails and buffet . . . Among the guests were Mary Pickford and Eddy Rogers, Ralph and Nancy Kiner, the Monte Herberts . . . Louise Celestin and Tony Campbell, the Johnny Dawsons, Ed and Pearl Thrasher, the Frank Bogerts, the Russ Wades and Peggy's houseguests Jack and Jinx Jackson of Beverly Hills . . .

The William Shinnners were overnight guests of Mrs. Alice Guthrie (Mrs. Shinnners mother) . . . and Mrs. Guthrie will be going in town to spend Christmas with them and their four children . . . In January she is hoping to go back to Honolulu . . . as her trip in May was interrupted by illness . . .

Gene Markey was dining with the Vernon Firestones . . . at Don the Beachcombers the other evening . . . The Nate Orbachs, Eddie Small, Desi Arnez and Lucille Ball . . . the Don Hartmans, Betty Hutton, the Berkeley Johnsons, Bob and Billie Kenaston . . . also in the crowd of diners . . .

Davis Factor, of 425 South Las Palmas, (chairman of the board of Max Factor) and president of the Toilet Goods association) flew to New York . . . to attend

Charm of Desert Tinges Afternoon at Woman's Club

The inspirational beauty of the desert was brought into the clubhouse of the Palm Springs Woman's Club on Monday afternoon when natural desert foliage—sage, creosote, castor beans, smoketree, and cholla wood—was used in profusion. Spotlighted on the stage was manzanita driftwood creating a beautiful effect. The decorations were the work of Mrs. Georgia Sommers.

Members thrilled as they saw the charm of the desert through the eyes of outstanding desert artists such as Blanche Touronnet, Mickey Wheeler, Helen Lapp, Trixie Jarette, William Darling, Jeanne Coutts, Georgia Caldwell Freeman, Axel Linus.

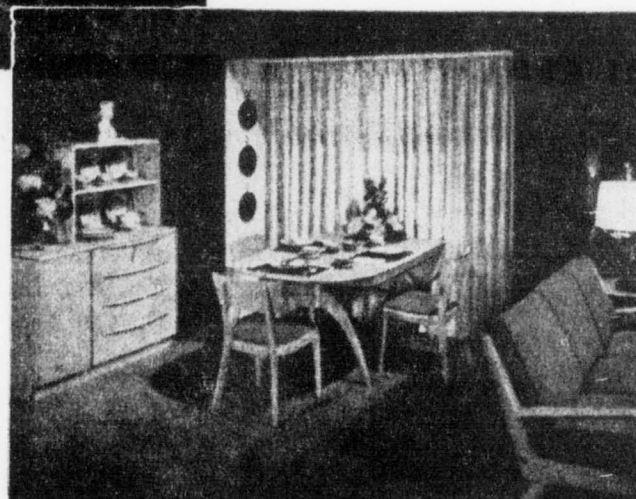

It was Palm Springs Day and, possibly, the Club's most versatile and talented artist, Mrs. Trixie Jarrette was featured. This finished artist thrilled her audience as her hands swept over the piano keyboard. They registered their approval by a tremendous applause.

R. W. Peterson, city manager, followed with an informative talk on the "Indian Situation." Tex Kidwell well loved Palm Springs' boy, delighted the members by singing and play-

Hogan Dinner Reservations Approaching 500 Limit

With a limit of 500 placed on reservations for the Ben Hogan 'testimonial dinner' to be held at El Mirador next Thursday evening, ticket sales are already approaching that figure, Tamarisk officials said today.

The dinner, which is limited to Tamarisk members and their guests, has been planned ever since Hogan's triumphant homecoming, as the winner of four tournaments this year. Lou Golan is general chairman for the affair and proceeds will go to the Community Chest.

Top names in the entertainment world comprise the committee in charge of the stellar program. These include Phil Harris, Bob Hope, Bing Crosby,

Danny Kaye, Tony Martin, Dinah Shore, Martin and Lewis, Harpo Marx, George Burns and Gaele Allen and Frankie Laine. Tamarisk President and Mrs. M. O. Anderson are expected to arrive from Seattle in time for the dinner. Other reservations include Vice President and Mrs. Montague Herbert, the Lou Golan, Mr. and Mrs. Sol Lesser, Mr. and Mrs. Norman Krasna, the Groucho Marxes, Tom Mays, Milt Callners, Donald Duncan, Mr. and Mrs. Nathan Orbach, John Connors.

Relatives Visit the Ted Shaws

Mrs. Frank Shaw and 13-month-old Kevin, wife and son of Commander Shaw, USN, are here to spend the Thanksgiving and Christmas holidays with his parents Mr. and Mrs. Ted Shaw, all-year residents of Palm Springs.

The Commander and his family have their home in Coronado. A Navy pilot, he flew his crew from Japan (where his tour of duty is now in effect) to North Island. They were there for a week and it enabled the crew to visit their families after an absence of several months.

Also guests of the Shaws were Mr. and Mrs. Henry MacMurray (Ryan-Evans drug stores) of Phoenix. Their visit was to see their new grandson 'Scotty' Shaw, and their daughter Betty, who is married to the youngest son of the Ted Shaws, Bob who lives in Cheviot Hills and is spending a vacation here from his Golden State Glass company of Los Angeles.

When they return Mr. and Mrs. Melvin Shaw and children of Beverly Hills, will arrive to vacation with his parents the Ted Shaws.

Mrs. Mollie Lund and Mr. and Mrs. John Hardy of Westchester were weekend guests at the home of Mr. and Mrs. R. F. Graettinger, 450 Avenida Olan-cha.

Girls from Scripps at Oasis Hotel

Hotel the Oasis pool looked like a branch of Scripps College this weekend with Beatrice Nebraska, Alice Ferrante and Nicky Nichols representing that school. Their companions were Stanley Phelps and Chuck Conway, who are in the government service at Monterey, and who came to Palm Springs to visit Stanley's grandparents, the U. M. Dickey.

Next week Mr. and Mrs. Dickey will return to Seattle, along with the Volney Richmonds, for the holidays. The two couples will head south to finish their winter visit at Hotel the Oasis, where they have been seasonal guests for many, many years.

Others from that northwest city enjoyed the sunshine now about the pool each day at Hotel the Oasis are Mr. and Mrs. Arthur Hansen with their son-in-law and daughter, the C. E. Burgers and small child.

Representing out-of-state cities at the Oasis are Mr. and Mrs. Russell T. Sabor, of Palm Beach, Florida. Mr. Sabor, who heads several businesses, donates all his profits of the Vitallustre business to a foundation for under privileged children.

Mr. and Mrs. H. H. Ellsworth of Helena, Montana, stopped en route to Honolulu. And up from La Jolla were Dr. and Mrs. Ray Lounsbury.

Among others at the Oasis are Mr. and Mrs. Alan Fields, San Francisco; Mrs. Anne Lewis, North Carolina and others.

LICENSE LOST

Mrs. Lillian Harwood of Los Angeles reported to police Monday the loss of her driver's license.

COVER GIRL — Beautiful Jane Powell who has adorned so many magazine covers, is looking just as glamorous in this picture. It was taken at the Racquet Club, especially for The Desert Sun.

Large Crowd Applauds Hotel Biltmore Swim Show

More than 200 Villagers and visitors were spectators at the annual Swim Show presented at the Palm Springs Biltmore Hotel Sunday, and acclaimed it as one of the best ever presented in Palm Springs.

An all star cast of Los Angeles Swim Club performers was headed by Pat McCormick. They included: Barbara Illich, Mary Alice Herrick, Willie Farrell, Gary Tobian, Monte Sternquist, Fern Johnson, Cappy Koke, Norma Welts, Ann Graham, Susie Harris, Gloria Farrell, and the Biltmore's own Betty Drummond, who was a former member of the Johnny

Weismuller swim troupe.

Glen McCormick, husband of Pat, was in charge of the show. Wes Hammond was narrator, and also participated in a comedy skit with Glen McCormick.

The show featured comedy, diving and a water ballet, besides the regular swimming and diving features by the holders of many national and world records.

The Biltmore Hotel after the show announced plans to install a 10-meter diving board, and the performers have indicated that they will return here early next year with another gala presentation.

(Anderson photo)
ANYBODY FOR TENNIS? — The courts at the Racquet Club look deserted in this picture. Probably because everyone was gathering around to watch Betty Hutton and Jack Benny get their pictures taken together. Betty's here for a rest, and Jack has been combining business with pleasure by making some of his broadcasts from Palm Springs.

Taylor's Host Dinner Party Saturday Night

Mr. and Mrs. Sam Taylor hosted a Saturday night dinner party at The Tennis Club.

In their party were Mr. and Mrs. Glen Doughty, Mr. and Mrs. David Bricker (he's the Hollywood Studebaker dealer), Mr. and Mrs. Harold Hamilton and Sports Columnist Braven Dyer.

Other Saturday night diners included the Harry Clatworthys, with the Joel Stones; Mr. and Mrs. Howard Morris were with Mr. and Mrs. Bill Williams; and Mr. and Mrs. Keith McLeod.

Dinner Party

A no-host dinner party at the Racquet Club Sunday night included Muriel Fulton and her niece, Miss June Shields, Jack Williamson, Mr. and Mrs. Harold Murphy, Mr. and Mrs. Harry Lenart (they have rented the Murphy's house), of New York and Charles Doyle.

Mr. and Mrs. Ray Baur of 333 Tamarisk road, had as their houseguests from Beverly Hills, Mr. and Mrs. Chester Scott, Mrs. Adeline Moore and Mr. and Mrs. Elmer Kittell. The latter is past president of the Beverly Hills realty board and honorary life director of the California Real Estate association.

Local Realtor Visits Hawaii

Madge Rocks, Palm Springs realtor, has been on the California Real Estate association's post-convention tour of Hawaii. Traveling with a group of San Fernando realtors, Miss Rocks flew to the Islands on November 14 and returned a fortnight later aboard the SS Lurline.

Many sightseeing tours and haunts marked her stay in the Islands.

Mr. and Mrs. Ralph Wilford of Whittier were weekend houseguests of Miss Theresa Fields of Camino Descanso.

Gov. Knight to be Invited to Attend 1954 County Fair

County supervisors Monday asked Supervisor Chairman William Jones to invite Governor Goodwin Knight to attend the County Fair and National Date Festival in Indio in February of 1954.

Supervisor Homer Varner said the supervisors would be ready to go so far as to offer Governor Knight the office of grand marshal of the fair parade of February 22.

County Fair Manager Robert Fullenwider said the super-

visors had never had much luck at getting Governor Earl Warren down to the fair—he always seemed to be too busy.

The supervisors said that since Governor Knight is making his first run for gubernatorial election next year they might have better luck with him.

YOU TOO...

Yes, YOU TOO can purchase the
Desert Home of Your Dreams through
GANNON REALTY COMPANY
whether it's a small cottage or a palatial estate

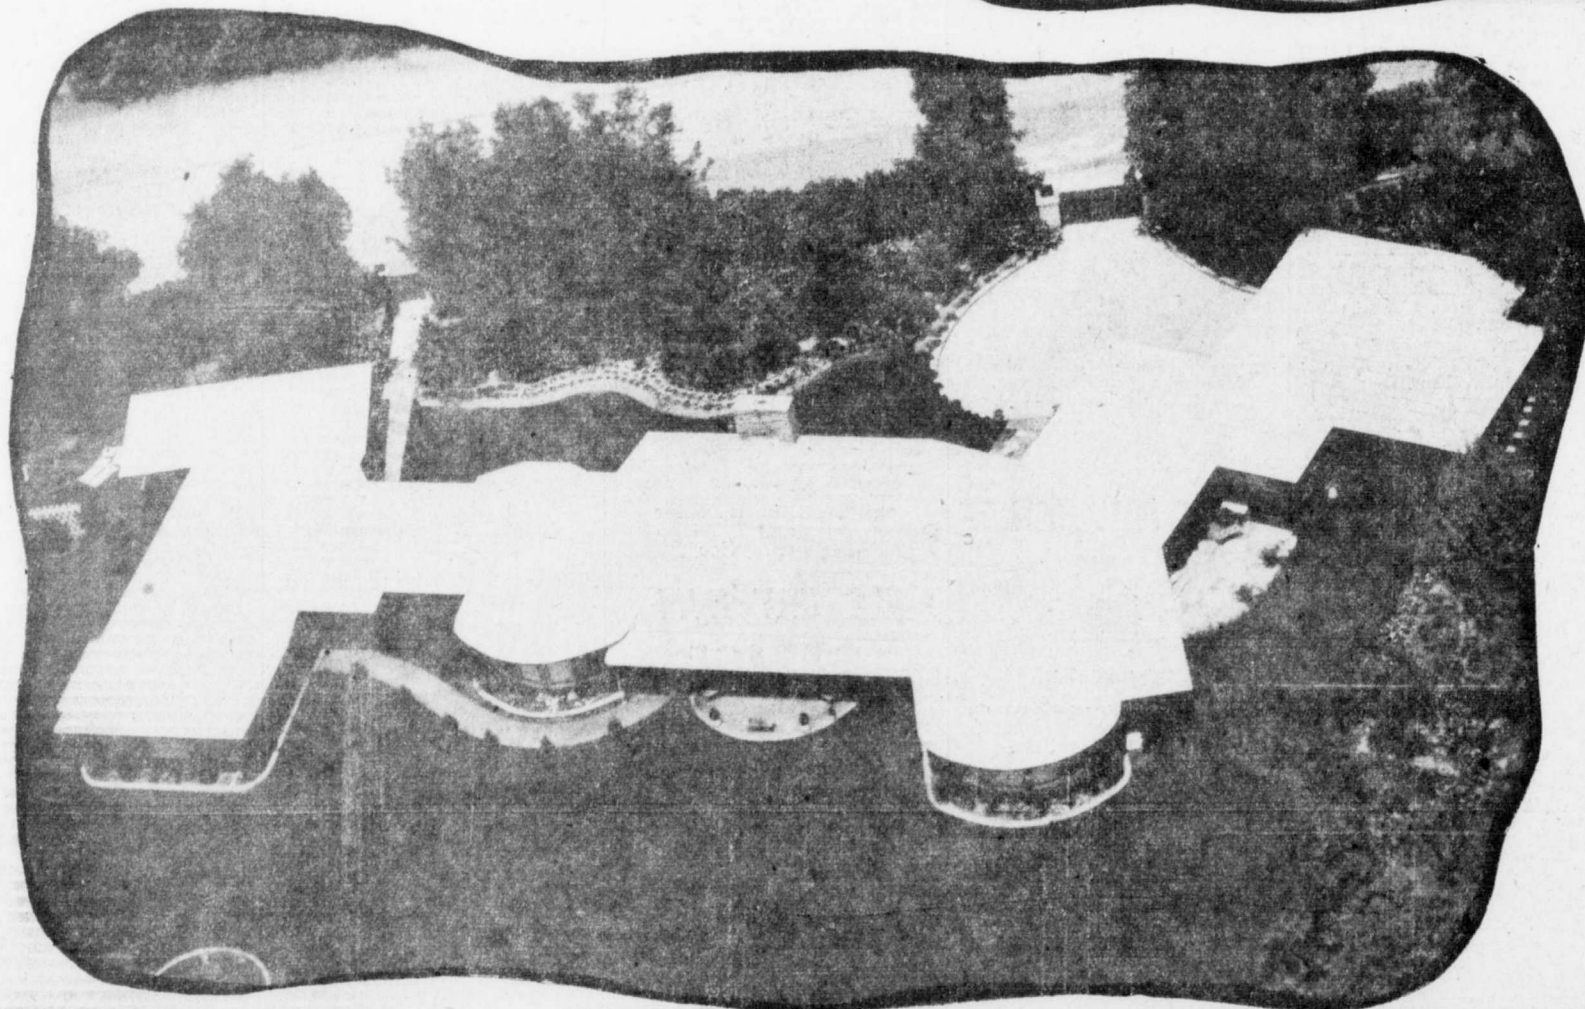

Twenty years of experience in real estate development and in seeking the best in homes, hotels and business properties that have ranged from the modest to the most palatial estate homes places Gannon Realty Company and its associates in a unique position to serve anyone. It may be one of our compact but spacious homes under \$10,000 or a mansion ranging up to \$200,000. YOU TOO may, with utmost confidence, seek our services. Read Gannon's "Tips on Top Real Estate Values", in the classified section of The Desert Sun.

Pictured above is one of the budget priced homes — 61 such homes now occupied by local Villagers who previously had been paying rent and now own their homes here. They now enjoy a feeling of security in belonging to the community. Such a home can be YOURS TOO for \$975.00 down with the balance at less than normal rent for a two bedroom home.

Pictured above and with an aerial view of the same home on the left, is one of Palm Springs' most palatial estate homes purchased by Mrs. Elsinore C. Machris, prominent philanthropist, in which Gannon Realty Company recently represented both the buyer and the seller. We can serve YOU TOO in such a capacity.
